RADAR SPEED CHECKS REQUESTED

The following letter was voted on and approved at the May 11th General Membership Meeting. It will be sent concurrent with its publication in the Hilltone.

*Lt. Fred Reister
Traffic Section
225 North Clinton Avenue
Trenton, New Jersey 08609*

Dear Lt. Reister,

In a recent telephone conversation with Mr. Waldron concerning speeding within Hiltonia he suggested I write to you requesting periodic radar checks in the neighborhood.

The Hiltonia Association has received numerous complaints from residents about the excessive rate of speed of vehicles not only on Stuyvesant Avenue and Hilvista Boulevard but also on the other streets within Hiltonia. These residents have expressed concern for the safety of individuals; we have over one hundred children in the neighborhood; and a fear of property damage.

If we could periodically have radar checks within the neighborhood during commuting hours, 7 to 9 AM and 4 to 6 PM, and on weekends we feel it would decrease the incidence of speeding and therefore increase safety within Hiltonia.

If you wish to contact me, I may be reached at the above address or by phone at 394-9660.

Thank you very much for your attention to this matter.

Sincerely,

*Janet C. Jessel
Hiltonia Association
Civic Committee*

HERITAGE DAYS

Once again it was Trenton's weekend to shine and shine it did. Heritage Days 1983 were an overwhelming success and Hiltonia had a part.

For the 3rd straight year Hiltonia volunteers handled the beer concession for the Trenton Commons Commission. The Commons Commission under the leadership of **Jim Ort** and **Elaine Willson** bring Heritage Days to Trenton. The Hiltonia Association under the supervision of **Bob Topper** and assistance from **John Vogler** and **Bill Anderson** pump beer with assistance from the volunteers from Ritchie and Page Distributors. Once again everything went smoothly and it was a financially rewarding to all of us.

The Hiltonia members who have been assisting have gotten to know the volunteers from Ritchie and Page. These men are very helpful and have taught many of us how to pour beer. Two of the most important tricks are to pull the handle all the way out and tilt the glass because no one wants a huge head on their glass of beer.

This year's volunteers included Glenn Palmer, Helene Vagnozzi, Joe Priest, Evelyn Ogden, Rosie Vagnozzi, Greg Smith, Jan Jessel, Betty Walton, Denise Mortimer, Bill Anderson, Bob Levinthal, Dave Schroth, Lee Lybarger, Annette Schroth, Norma Stern, Linda Reid, Harvey Stern, Pat Flores, Steve Schragger, Roberta Anderson, Ken Kyte, Susan Stellitano, Mary Sue Topper, Pat Vagnozzi, Frank Inverso, Ray Castro, Bob Topper, Jim Ferrell, Tom Brown, Nate Cobb, John Vogler, Leo Jablonski, Leo Jablonski, Jr., Dave Walukiewicz, Gloriann Kyte, Scott Butterfield, Ellen Wry, Ruth Samsel, Brann Wry, Rita Carney, Gary Hilton, Carol Hilton, Larry Welle, Bobbie Shellingoski, Myrna Kushner, Joe Palanchar, Chuck Shellingoski, Kate Thursby, Bill Thursby, Mary Sue Topper, Jay Magnum, Frank Kiernan, Levi Kushner, Elaine Martinez and Bob Martinez.

We pumped over 19,000 glasses of beer and birch beer. That's an average of approximately 350 glasses per volunteer. But we all had an enjoyable time.

Heritage Days is the 1st weekend in June. If you missed out helping this year, keep it in mind for next year. The volunteers have a wonderful time and no one leaves thirsty.

Bids for MOWING City Lot

The Association is looking for someone to mow the city-owned lot at the corner of Cadwalader and Stanley. As in the past years, the association will pay the successful bidder on a per mowing basis.

Bids are to be submitted *in writing* to **Janet Jesselat** 0 Buckingham by July 5th. Your name, address, phone number and cost per mowing must be included in the bid. The successful bidder will be notified by phone and a mowing schedule set up.

The Association would like to thank **Paul Wegner** for the fine job he did mowing the lot last year.

Friends of Cadwalader Park

On Saturday, July 16, the Friends of Cadwalader Park will hold a picnic at 2 PM at the ravine below the deer paddock near Hilvista Boulevard. Admire the rock garden progress and enjoy red cabbage with your OWN picnic goodies. In the evening, there will be a carpool to Washington Crossing Park Open Air Theatre to enjoy **Oklahoma** which President, **Chuck Schwartz**, is stage managing.

The Friends officers are **Chuck Schwartz**, **Catherine Paci** of Cadwalader, **Betty Bradshaw**, **Mary Mydlowski** and **Bill Anderson** of Cadwalader.

ARE YOU READY?

HILTONIA'S OKTOBERFEST

SATURDAY, SEPTEMBER 10, 1983

Watch for more information!

If you can help, please call Denise Mortimer (393-9705) or Jean Harbach (392-6380).

It's not too early to volunteer.

**March
General Membership Meeting**

The March General Membership Meeting of the Hiltonia Association was held on Tuesday, March 22 at the home of **Larry and Barbara Welle** on Buckingham. The featured speaker of the evening was **Phillip Evans** of the New Trenton Corporation.

The topic of primary concern was the Trenton Psychiatric Hospital closing. An exchange of letters between the Hiltonia Association and the State indicated that the State had no plans to convert the hospital into a minimum security prison. **Gerry Stockman**, our state senator also introduced legislation that removed the funding for this conversion. It appears that for the time being some fears have been laid to rest. However, the association must watch the State for any changes in status. If any neighbors have any information on the uses of the hospital grounds, please call Ken Kyte or Janet Jessel.

Our Hospitality Chairperson, **Marion Vogler**, planned a soup party for the end of the evening. Soups were made by **Marion, Denise Mortimer, Mary Sue Topper** and **Barbara Welle**. They were delicious -- a good warmer for a cold March evening.

CRIME WATCH

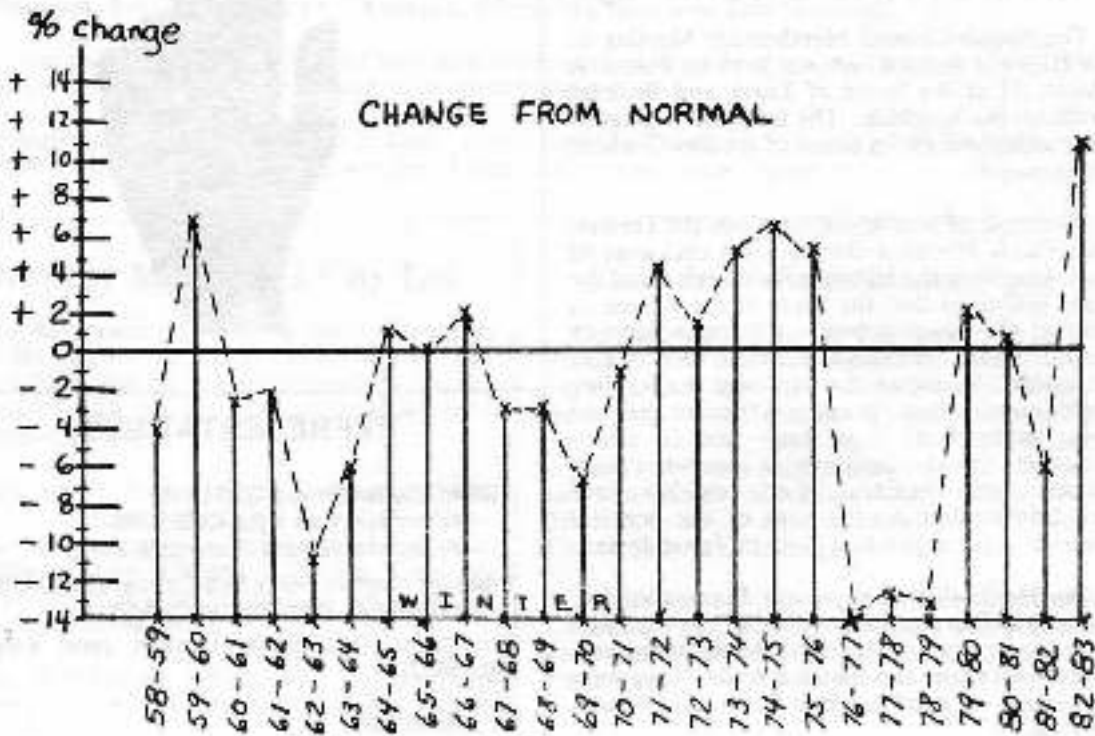

COMPARING WINTERS

This winter sure had us fooled. If we think of winter from December 21 to March 20, we had extremely warm winter. But right around the time we raced into spring, we became plagued with a continuation of our warm winter. This spring will probably prove to be colder and wetter than normal. The question will be, "Did we even out our heating season?"

For now here is how the winter of 82-83 was in comparison to the past 25 years. The statistics show that only 2 winters were close to normal in the 25 year period. It also looks as if we might be due a few warm winters.

We are busy updating and reorganizing Hiltonia's Crime Watch Program. There is a form inserted in this issue of the Hilltone. If you are interested in participating in the Crime Watch, fill this form out and return to Scott Butterfield. We are requesting that anyone who is interested in the Crime Watch Program return the form. This means even people who are presently on the Crime Watch Network. Let's keep Hiltonia safe.

This is the season to remember to lock your house up securely. Over the past several years, there has been a noticeable increase in break ins when school lets out. The time is now. So lets all exercise some additional caution and remember to look out for each other. The best eyes in Hiltonia are your neighbors.

HILTONIA

GENERAL MEMBERSHIP MEETING May 11, 1983

The Hiltonia Association General Membership Meeting was held on Wednesday, May 11, 1983 at the Trenton City Museum, Ellarslie, in Cadwalader Park.

Our guest speaker was Mr. Martin Winar who brought along with him slides of post cards of Trenton, Cadwalader Park and Cadwalader Heights. The oohs and ahs indicated that several Hiltonia residents recalled a Trenton of the past. **Norm Hartmann** of Kensington and **Eunice Levie** of Buckingham proved to be the most knowledgeable in recognizing locations. It was an enjoyable evening.

A short business meeting followed at which time the grass cutting problem was discussed. Phone calls were to be made to the Rescue Mission who owns the lot on Kensington and to the Bank that owns the property at 22 Cornwall. Also bids for grass cutting will be received for the city owned lot at Cadwalader and Stanley (see other article in this issue.) We also received the assurances of **Gary Hilton**, who is our neighbor and with the Department of Corrections, that the Psychiatric Hospital will not be turned into a prison.

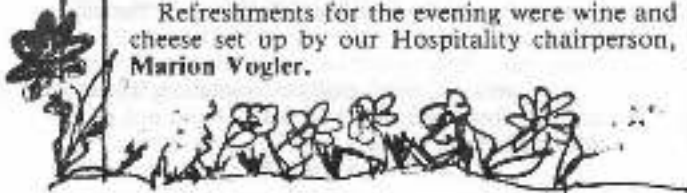

Refreshments for the evening were wine and cheese set up by our Hospitality chairperson, **Marion Vogler**.

PARK POLICING

Here is point of view about the policing of Cadwalader Park. This letter appeared in one of our local newspapers.

Regarding the story, "Council: Give Park to County," we would like to inform city Council and Council President Armenti about the Park Commission's inability to maintain Cadwalader Park. The Park Commission's police force is presently undermanned and ill-equipped to handle a park like Cadwalader.

The present park police force is down from an effective 12-man force to a scant 3-man force. This shortage is due to attrition and the park commission's lack of desire to hire more police.

We used to provide 24-hour protection; but are now barely covering the 8-4 and 4-12 shifts.

Before Council can open negotiations with the county it should be aware that the park commission can do a great job of upkeep and maintaining the park. But with its present undermanned force and the untrained Ranger system it could never do the job expected of it.

We wonder if the present budget cuts to save the taxpayer a few dollars are worth jeopardizing the safety and well being of the thousands of children and adults who use the park commission facilities.

The evening featured a May pole and was a candlelight affair.

If you missed our Covered Dish this year, try to make it next year. The food was never better.

CORNWALL AVENUE

Is Cornwall part of Hiltonia? Do we have a Cornwall resident ready to answer that? There is a noticeable absence of Cornwall residents at our Hiltonia activities. The rest of Hiltonia considers you part of this neighborhood. Won't you make your numbers felt?

Congratulations....

ATLANTIC CITY

On Saturday, March 26, Hiltonia residents and their friends boarded a bus for Atlantic City's Tropicana Hotel. We had 2 residents from Stuyvesant, 6 from Cadwalader, 8 from Buckingham, 8 from Kensington, 6 from Renfrew and 1 from Cornwall plus all our friends aboard.

A wonderful time was had by all even though some of us came back losers and some of us came back winners. One of our passengers, who made his first trip to Atlantic City, is probably very anxious to return after his good fortune. But for many of us it was "Better luck next time."

DOGS - FRIEND OR FOE

There have been many articles in the Hilltone about dogs and the law but every spring the editor is bombarded by requests to remind our residents about the City laws. Trenton has leash laws and pooper scooper laws. It is ashame that our elected officials have to use their time on laws like this when all that is needed is consideration and the understanding that not all people are as fond of your dog as you are.

Once again with the warmer weather, people have their windows open and are enjoying the outdoors. It's time for dog owners to be considerate. Don't let your dogs run loose. The gentlest dogs have been know to bite. Don't make your neighbor clean up after your dog. Don't let Hiltonia's peaceful nights sound like we live in a kennel. There is no better way to cause a problem with your neighbor.

A short time ago the following letter appeared in an Ann Landers column. Beware of your responsibility.

Dear Ann: Two weeks ago we buried our 4-year-old daughter. She was our only child and we cannot have another. Our darling little girl was attacked and killed by the neighbor's dog.

There is a leash law in our town, but our neighbors, like many others, paid no attention to it. The dog had to be destroyed and, of course, so is our long-time friendship with the neighbors.

The insurance company will not pay their claim because they failed to honor the leash law. That dog never should have been off their property. They will have to handle the lawsuit on their own, which means they will lose their home. Meanwhile, they are furious with us, but their daughter is alive and ours is dead. We would consider the loss of our home trivial compared with the loss of our precious girl, but naturally they don't see it that way.

Please, Ann, tell people who own dogs to obey the leash laws before a neighbor loses a child and they lose their home. - Karen's Mother In Middlesex.

DOG and PERSONALITY

In a new book, *1001 Ways to Reveal Your Personality*, authors Elayne Kahn and David Rudnitsky probe our hidden personalities. When you let Rover run amuck, you expect others to do your dirty work. You have difficulty confronting unpleasant tasks and prefer to further redirect them to other people.
